

Candice Olson Bedrooms

Popular TV star and designer Candice Olson shows you how to create your dream bedroom. Written in her approachable and authoritative voice, Candice Olson Bedrooms features 25 stunning room makeovers, with gorgeous room sketches and design boards that show you how each design took shape. More than 200 full-color before-and-after photos provide a wealth of visual inspiration, while Candice's tips and insights into what makes each space work will give you practical knowledge for planning your own bedroom redo. Candice's media outreach is extensive: her TV shows *Divine Design* and *Candice Tells All*, both of which air on HGTV in the U.S. and on W Network in Canada, are incredibly popular. Her first book, *Candice Olson on Design*, has sold over 210,000 copies; her second, *Candice Olson Kitchens & Baths*, sold over 72,000 copies in its first year. Most homeowners must work with the spaces they have, and redecorating a bedroom is typically far less expensive than redoing a kitchen or bathroom. Candice's dreamy designs will inspire you to bring big style to your master suites and guest quarters alike through smart choices in color, texture, lighting, furnishings, accessories, and storage.
