

## Simple Seed Bead Rings You Can Make

The following tutorial is a great project to use the extra beads from larger projects, to make someone a quick gift, or to have at a craft show. This guide shows you how to create 5 different ring patterns that you can make to fit any size finger. Done with a combination of common beading stitches, the rings are quick to make and sure to be a huge success. With over 100 step-by-step photos, these are fun and easy rings that any novice or experienced bead weaver can make. Don't stop at rings! You can easily extend these patterns to create bracelets and bangles. You can also design your own ring patterns with the beading graph template provided with the tutorial and linked to on the internet.
