

Bride of the Water God Volume 11

Betrayed, horribly injured, and still reeling from the fate that befell his former human bride, Habaek is reunited with Soah and seeks to patch things up with her. Will this troubled couple finally be able to recover from the treachery that warped their lives? Star-crossed lovers, strange curses, feuding elemental gods, and seething grudges set the stage for this eleventh installment in Mi-Kyung Yuns Bride of the Water God series! This volume also includes Mi-Kyung Yuns hilarious How to Draw Bride of the Water God bonus strip section!
