

Tips & Resources for Earth Savers

The information in this book was derived from courses offered at The Earth Savers Institute. The core modules contain the essential learning foundations you need to get started as an Earth Saver and Eco Consultant. How much is your time worth? We know that you are eager to get started, but with your hectic schedule, you certainly do not have the time to do all the research that is out there to learn all about becoming a Sustainability Specialist, Eco Consultant, or just an everyday Earth Saver. The information that is in the Tips & Resources For Earth Savers is designed for people with no prior experience as a Sustainability Specialist, as well as those who simply want an intense refresher course. 72 pages. Jam-packed pages! This book includes: Eco Living Tips, information on Eco Activism, Ecosystem Restoration, Environmental Issues, Green Tips, Inspiration Quotes, How to Invest Responsibly, Outdoor Tips, Sustainable Community Solutions, Why Go Green, and much more!
