

## FIRED! So What?: How to Recover After Being Fired or Laid-Off

Dear Friend, I know how it feels to lose a job. It sucks! Thousands of people have lost their jobs for reasons outside their control and experienced the pain and confusion that comes with being in an unwanted situation. This book is full of powerful concepts that are backed by research and real world experience to help you navigate uncharted territory. You may not see more than your present circumstances after losing your job right now, but this opportunity for change is the perfect moment to grow and learn about yourself. While it may not seem like it, there is more to life than your job. My book is here to help you look for ways to deal with your circumstances and feel better about yourself in the present moment. Take stock of your finances, reconnect with your passion and creativity, learn how to connect with friends again and understand your feelings better in the present moment. See more clearly about what happened, and move forward with a better perspective on your situation as you prepare for another job. By building a better focus on your circumstances, you will be able to create the future you deserve. Discover your purpose in life and unleash your drive to propel you to the next level.
