

Overcoming You! The Journey of Joe Braxtons Fall and Rise to a Corporate Idol

Success in our business and personal life is often found in overcoming insurmountable odds: unexpected business challenges, workplace obstacles, and life setbacks -- Murphys Law. Ready to overcome those things that appear to be holding you back from your aspirations, dreams and desires in 7 simple steps? Well this book is for you, your team and organization. Overcoming You, by Robert C. McMillan, Thought Leader in leadership, personal growth and development, is a call to action that invites readers to face fears, setbacks and challenges with an Overcoming You mindset. From dealing with difficult people (corporate bullies), career setbacks to personal challenges, Robert provides coaching, strategies, tools and solutions to flip the script and transform your challenges into opportunities for success. Robert takes you on a journey that motivates, inspires and challenges you to take control over your fears and conditioned limitations and navigate the corridor of greatness in life. In this compelling story of the Fall and Rise of a Corporate Idol, you will experience a transformation from living a life of mediocrity to living a life fulfilled in destiny! Robert through his story, tips and tools teaches strategies to help us remove hurdles, obstacles and the most powerful force in the world stopping you from reaching your dreams; and that is, Overcoming You!
