

Positive Thinking Will Never Change Your Life But This Book Will: The Myth of Positive Thinking, The Reality of Success

David Essel combines his 30 years of work in the field of personal growth along with stories from some of the top authors and success experts of our day, to shatter the myth of the power of positive thinking. David reveals that the real Secret to success requires much more than positive thinking, affirmations or vision boards, and that no one ever made a million dollars, got the perfect body or found their soulmate through positive thinking alone. There is a place beyond wishful thinking and fantastical affirmations. Let David take you there! David Essel, M.S. is the author of 9 books, a Master Life Coach and Teacher, Business, Relationship and Addiction Recovery Coach, International Speaker and Radio/TV Host. From athlete to poet, he has been labeled a 21st century renaissance man. www.DavidEssel.com

In this book, David Essel boldly flings open a hidden door of wisdom a different perspective on the positive that is the keystone to living our greatest self. As you read, you just want to hang out with him because you get that he knows who you are. David captivates us with stories and straight talk, elegantly clear, filled with profound knowledge derived from his own experiences and insight gleaned from thousands of interviews with luminaries at the pinnacle of success. His authenticity is impeccable, his insight is brilliant, and his style is irresistible. Dianne Collins, 6-time Award Winning Author of the Bestseller, *Do You QuantumThink?
