The bank served as a blind to mask his real designs in Washington. It came natural in the family of which he was a descendent to be a banker, and to so organize and set the checks and balances as to make this business run with success. J He gave very little of his time to it, nd though thei president, his name did not appear on the letter heads. The bank had no foreign connections; doing all of its outside business through the New York Dank of which his brother Edward was in charge. Everything was avoided that would draw attention to or disclose the identity of Victor Rogasner, and nothing had yet occurred to embarrass him in his operations, the success of which, aside from his love affair, was his sole ambition and the cause of his being in the United States. His plans in this respect were all meeting with success, and public sentiment had been moulded until it was scarcely necessary to do much more than had been done to hold the authorities at Washington to the. opinion that silver should not be rehabilitated. And yet he was sleepless in his energy. The bankers and money lenders in the United States had become his allies and were exerting a powerful influence, but there were many things they did not think of, and while keeping himself informed as to their work, he was constantly doing something to mould public sentiment or otherwise strengthen his position. About the time of the investment of English capital in the breweries of this country, he had caused the purchase, through agents sent direct by Baron Rothe to the United

States, of a majority of the stock of several metropolitan newspapers,...
