

The Assassin GN

Students from one of the top International Schools in the country will have to face two of the most challenging issues of their lives: murder and bigotry. It is said that the recent deaths around the school have been assassinations and, intriguingly, a geishas kanzashi is always left behind at the scene. Maika is an unfortunate student who has entered the wrong school at the wrong time. Her Japanese heritage makes her an immediate target for the hatred and suspicions of her peers. Will Maika be able to unravel the mystery in time before she becomes the next target of The Assassin?
