

## Cornered / Dont Try Anything Funny: First Cornered Collection by Mike Baldwin

Over 300 deliciously offbeat cartoons by cartoonist Mike Baldwin, plucked from the pages of some of the top newspapers in Canada and the US! Dig in! The first collection of Cornered cartoons is sure to delight you. Take it from Jim Unger, creator of HERMAN - I love Mike Baldwins Cornered. Pictorially, he has a wonderful innate ability with space and shapes and his jokes are always funny. Its a must-see every day for me. Or Wiley Miller, creator of NON SEQUITUR - I think Mike does some of the best panel work in comics today... You do terrific work, Mike, and should be in every paper. Or the folks at Universal Press Syndicate - The fun and unfortunate characters in Baldwins strip are constantly finding themselves in the types of situations that people dream about after theyve eaten too much spicy food. Anyone who has spent time embellishing an injury to a disbelieving group of friends will relate to these cornered characters as they flop, trip and struggle through the situations Baldwin throws their way. Being CORNERED has never been more fun! Download a PREVIEW:
