

## Predator: Why fabulous Christian women cant find love in todays church.

PREDATOR. The story about sex predators prowling Christian singles. What can be said about a discussion that should not taking place? Lakevia Amey is a Los Angeles writer, and hair stylist, who discloses personal experiences she encountered inside the Christian, singles dating scene. The result is a shocking expose and hard look into the minds and motives of todays Christian men and ministers. As a hair stylist, Lakevia listened to hours of complaints from her female clients regarding the outrageous behaviors of the men they were involved with, and noticed a disturbing pattern. A greater percentage of Christian men actually have no intention of marrying their girlfriends, but every intention of sleeping with them. Once the women reported the behaviors in question to their Pastors, the predators were coddled and protected, rather than dealt with. Its a story of lascivious acts. Lakevia Amey offers Christian women sound advice to protect their reputation, sanity and destiny.
