

Rewired, Rehired, or Retired? A Global Guide for the Experienced Worker

Rewired, Rehired, or Retired will inspire you to take a hard and sometimes confronting look at your life, while giving you actual tools and guidance to achieve a rewarding and satisfying future. You may find that you really do enjoy the things you are doing and continue doing them. There are other things you would like to do. You don't have a choice, but to consider your options because you find yourself without the job security you once had. As a manager you're helping experienced workers plot their next move.
