

Be the Miracle: 50 Lessons for Making the Impossible Possible

Want to live your dreams--or even surpass them? Want the world to change for the better? Want to see a miracle? What are we waiting for? Why not be the miracle? That's the challenge Regina Brett sets forth in *BE THE MIRACLE*. To be a miracle doesn't necessarily mean tackling problems across the globe. It means making a difference, believing change is possible, even in your own living room, cubicle, neighborhood, or family. Through a collection of inspirational essays, Regina shares lessons that will help people make a difference in the world around them. The lessons come from Regina's life experience and from the lives of others, especially those she has met in her 24 years as a journalist. Each chapter is a lesson that can stand alone, but together they form a handbook for seeing the miracle of change everywhere. With upbeat lessons from *Do Your Best and Forget the Rest* to *Sometimes It's Enough to Make One Person Happy*, these lessons will help you accept and embrace yourself, challenge and change yourself, and better serve others.
