

## Letters from the Masters of the Wisdom, 1881-1888 (Classic Reprint)

Letters from the Elder Brothers, who were the true Founders of the Theosophical Society. Many a Pilgrim on the Probationary Path will find in it much of help and inspiration, and it will serve to deepen the sense of the reality of our Teachers, sometimes blurred in the minds of neophytes by the tumultuous happenings in the outer world, as the notes of a vina are drowned if played in the rattle of an engine-shed. May it speak to those who have ears to hear.(Typographical errors above are due to OCR software and dont occur in the book.)About the Publisher Forgotten Books is a publisher of historical writings, such as: Philosophy, Classics, Science, Religion, History, Folklore and Mythology.Forgotten Books Classic Reprint Series utilizes the latest technology to regenerate facsimiles of historically important writings. Careful attention has been made to accurately preserve the original format of each page whilst digitally enhancing the aged text.
