

## Life Beyond Death

The author of this book Sri Anil Sharma was born in Ambala, a small town in north India in March 1958. He graduated as an electrical engineer in 1980 from Delhi University, after which he travelled for a period of three years throughout the length and breadth of the Indian subcontinent, in search of wisdom, in search of truth, reflections of which can be seen in this book. This book is the outcome of his spiritual experiences, and the guidance received from sages and spiritual masters during altered states of consciousness and deep states of meditation. During these seven years he read more than nine hundred books written and referred to by great spiritual masters, attained various siddhis (supernatural attainments), toured many countries around the world, gave lectures, wrote books and helped many spiritual aspirants both at the material and spiritual level. However, in spite of experiencing the rising of cosmic currents in his body, having attained a heightened awareness of reality, and achieving many tasks in spirituality, like writing books and genuinely helping many aspirants in the path of spirituality. The author currently resides in Australia and works in his profession, but will continue to serve humanity in the form of such books and writings. He runs a small centre in Sydney called Sage Sri Ramana Maharshi Centre of Learning Sydney
