

Lets Get Ugly

Life is full of problems that come in many ways, shapes, shades, forms, and sizes. Everybody has problems some larger, bigger, and greater than the other. How each one faces them and solve them using true wisdom or none at all determines the eternal length of their lives. Judge Karen Wises problem is her foster son Smidget and his lack of zest for life, while Smidgets problem is Karens deep unconditional love and overprotective behavior for him. Ms. Hugalees problem is her ex-dead beat, one nightstand baby daddy Mr. Drunkery who refuses to pay child support for his 16 year old son Tyquese who robs for a living. Mr. Drunkery on the other hand problem is dealing with his ex Ms. Hugalee rude and violent behavior. While Mrs. Devorcees problem is dealing with the idea of her soon to be ex-husband Mr. Devorcee coming out of the closet with his long time man/fiancee Tyrone. So Karen, Smidget, Ms. Hugalee, Mr. Drunkery, Tyquese, Tyrone, Mr. and Mrs. Devorcee, all have one problem in common: THE TRAGEDY OF MEETING MR. NIPPLES HUNGRY BACKYARD PETS. So sin has it?s way of looking so innocent, so beautiful, so desirable, and it?s after effects are bitter as deadly wormwood, then youll finally understand that getting ugly to stay alive is the only true way of staying pretty.
