

## Pep Comics #15: Golden Age Superhero Comic

Pep Comics is where The Shield (the first patriotic superhero) first appeared. Pep Comics is also where Archie Andrews made his first debut. Pep Comics eventually became Archie Comics. Now you can re-live (or, enjoy for the first time) these great adventures from generations past, with UP History and Hobby line of comic reprints. The comic reprints from UP History and Hobby are reproduced from actual classic comics, and sometimes reflect the imperfection of books that are decades old. These books are constantly updated with the best version available - if you are EVER unhappy with the experience or quality of a book, return the book to us to exchange for another title or the upgrade as new files become available.
