

# Siding, Roofing, and Trim: Completely Revised and Updated (For Pros By Pros)

Details, details, details they're what make the exterior of your home stand out from the crowd. This new edition of Siding, Roofing, and Trim the latest installment in the FOR PROS BY PROS series from the editors of Fine Homebuilding provides you with all the expert advice and instruction you need to choose, install, and detail these three main parts of your home's exterior. Among the many fresh design topics covered in this all-in-one resource are how to: safely replace a roof, while keeping in mind venting and flashing for a weather-tight and long-lasting installation; apply trim details to achieve that finished look; choose a roof that will last a lifetime; paint like a pro with 10 expert tips; fix 10 typical roof goofs; plus energy-saving advice.
