

# Let it Burn: How to be a Successful Independent Author and Illustrator in the Digital Age

Is your dream to be a successful author or illustrator? Alan Gandy tells you how he went from living in his car to supporting his family through digital publishing. This is not the fairy tale style how to become an overnight success guide. This is an honest look at what it takes to make a living doing what you love in the hard game of independent publishing. Whether you are new to the game or a battle scarred vet this is the hands down, no punches pulled, inspirational book you need to get that creative fire burning and make a profit.
