

Its the Great Pepperoni, Bob the Pleo

In his failed quest to help his friends, Bob, a common Pleo, discovers its the everyday little things you do to help that really matters. Based on the characters from the Bob the Pleo comic strip. Bob the pleo is a bumbling little robotic dinosaur whose programming may be a bit flaky, but somehow has managed to become a knight of the Order of Pizza, and Lord of Weedovia. He considers the other pleos of the village to be his friends, and longs to come up with some way to help them and prove himself a true leader. The quirky cast of characters that make up his friends include: Grumpy (the candy store owning curmudgeon), Yogurt (the jedi wanna-be), James (the tuxedo wearing super spy), Dr. Mel (the dumbest evil genius the work has ever known), and Sally, (the bright ray of sunshine).
