

Cider, Swords & Straw

Ready to sink your teeth into a good mystery? Now you can! Intrigued by the British customs peppering the Taylor & Graham mystery novels? Dying to know a bit about the plots of the twelve books in the series? Want to hold your own May Day or Guy Fawkes party but don't know what authentic food to serve? In the Taylor & Graham Mysteries, customs and holidays form the backbone of each book's plot, serving as a catalyst for the murder. Cider, Swords and Straw Celebrating British Customs is the companion book to the novels, as well as a fascinating read in its own right. All customs featured in the mysteries are detailed and explained more fully. And with more than three hundred food recipes to make, you'll feel as though you're in the midst of the custom as Taylor & Graham investigate!
