

Buz Sawyer: The War in the Pacific (Vol. 1) (Roy Cranes Buz Sawyer)

World War II action/adventure from one of the all-time great cartoonists. Roy Crane created the adventure comic strip with Wash Tubbs, and many a superhero owes a debt to Cranes square-jawed, hard-hitting adventurer Captain Easy. But during World War II, he left the Captain Easy strip to create a more realistic fighting man, a Navy pilot named John Singer Sawyer, who fought in the Pacific Theater from 1943 until V-J Day in 1945. This book, the first in a series reprinting the Buz Sawyer strip, reprints all of the daily strips published during World War II. Buz serves aboard an aircraft carrier, flies combat missions against the notorious Japanese Zeros, crash lands behind enemy lines, and is captured by a Japanese submarine. The book also includes a selection of the best of the Sunday strips, which featured Buz Sawyer's pal and gunner, Roscoe Sweeney. Everywhere Buz goes, he finds high adventure and beautiful women in fact, his fellow flyers kid him about his ability to find romance on even the most hostile Pacific island, where he meets a dangerous spy named Sultry (!). And when he goes home on leave, it is only to be caught up in a rivalry between rich heiress Tot Winter and girl-next-door Christy Jameson. It features some of Cranes most atmospheric drawing, aided by his expert use of Craftint tones, luscious romance, and exciting action scenes. These stories amply illustrate why Peanuts artist Charles Schulz called Roy Crane a treasure. Color and black-and-white comic strips throughout
