

Relationship Rules: 12 Strategies For Creating A Love That Lasts

Dont give up! Every relationship has room for more excitement, Use Relationship Rules as a guide for creating a love that lasts. Learn how to: * Increase your attraction in your partner * Ask for what you want and get it * Understand what your partner is really trying to say * Argue without hurting your partners feelings * Say I love you in creative ways * Create harmony in your relationship Relationship Rules will show you how to be loved and how to love someone. Finally, couples have a relationship toolbox. Specific tools that work -- each followed by a strategy of How-To for men and How-To for women. Each strategy will ensure their success. Relationship Rules is not about doing more it is doing what you already do differently. Simply adjust what you are already doing in such a way that you can get the response youre looking for in your partner. Relationship Rules will help you navigate your way toward a loving, passionate relationship that can last a lifetime.
