

The Minority Executives Handbook

Since the hardcover publication of *The Minority Executives Handbook* in 1989, corporate downsizing and other social and economic trends have brought on dramatic changes in the job market. Black, Hispanic, and Asian women and men are more visible than ever on the corporate ladder, yet they find that it takes more than talent and ambition to climb to the top. This step-by-step guide -- now in paperback -- tells you what you need to know to not only survive, but to thrive in today's job market.
