

## A Lieutenant at Large: Vol.1 of the Regency Romantic Warriors series - Storybook Edition

This is a C.Hampton Jones storybook novel enhanced with artistic collages. In this story Lochiel Cameron, a 25-year old lieutenant in the 42nd Scottish regiment, has to escort Elisabeth (Lizzie) Campbell from Ayre to Edinburgh. Lizzie is to marry Lord John Montgomery, second son of Jonathan Montgomery, Duke of Rothford. Lord John hates the fact that he has been forced to marry Lizzie. The only reason why he does not get out of this forced marriage is that he will become a Marquess of Lorna and Kintyre after his father dies, when he keeps to the promise his father made to his mother on her deathbed. Lizzie Campbell, daughter of Barry Campbell, Baron of Ayre is temperamental and arrogant. When she understands that Lord John did not want to take the trouble to escort her to Edinburgh himself, she starts, out of revenge, a relationship with Lochiel, that goes on beyond the vows between her and Lord John at the altar. After debauching Lizzie, Lord John returns to London. He leaves a devastated Lizzie behind in Edinburgh, who becomes almost a victim to his leery brother and heir to the dukedom Lord Randolph, if not for the help of her faithful servant Mattie and the worried Lady Audrey Agnew, Countess of Loghaire. Lizzie has to flee Edinburgh when she discovers that her nights of passion with Lochiel have not been without consequences.
