

## Invisible Shackles: White or Wrong

Have you ever heard the old saying a mind is a terrible thing to waste? What if everything you have been told, taught and made to believe is all just another form of slavery called brainwashing? Small white lies that have imprisoned a whole race of people to believe they are free. Invisible shackles is the key we have been searching for to free our minds. Marshall has discovered the truth hidden for years from mental brainwashing. Racism did not die with the civil rights movement nor did it die when many great black leaders who gave their lives up for change. Racism merely changed forms from the iron shackles on our wrist and ankles to the invisible shackles on our brains. Marshall powerful words gives readers the knowledge, courage and key to set ourselves free.
