

ReBuild: Reset Your Life. Renew Your Church. Reshape Your World.

Rebuilding is way harder than building. But sometimes God calls you to this stretching work rather than starting something new. Pastor and hip-hop artist Tommy Kyllonen faced this journey when God led him to an abandoned Toys R Us building in inner city Tampa and said, Rebuild this into a church. How do we rebuild in a healthy way despite living in a world of brokenness? Drawing on Nehemiahs example as the rebuild of Jerusalems walls, Kyllonen reveals the struggles and joys that he, his family and his young urban, multiethnic church experienced as they pursued a seemingly impossible dream of restoration. Their story will encourage and inspire you to pursue Gods rebuilding work in your own life, church and world.
