

Today's Homeowner: Weekend Projects: 80 Easy Ways to Improve Your Home (Today's Homeowner)

Weekend Project is one of the most popular features in Today's Homeowner magazine. And Weekend Projects is a project-filled book that was derived from this favorite section of the magazine. Weekend Projects focuses on smaller short-term projects that enhance the home, like installing French doors or putting up crown molding. This book is a step-by-step guide to weekend projects that add a stylish new look to everything from ceilings to floors. Sections include paint and wallpaper techniques, windows and doors, installing new floors, ceiling enhancements, skylights, bathrooms, built-in shelving and storage, and outdoor living. There are practical projects for improving all areas of the home that appeal to homeowners at all skill levels. Highlights: Filled with easy ways to add a fresh new look inside and out with projects that range from upgrading doors to installing outdoor lighting. Includes over 75 versatile, easy-to-do projects that will enhance any home. Geared to those with beginning to intermediate home repair skills.
