

## What About Us -the Earths People? (Annual E. F. Schumacher Lectures Book 27)

The collection of lectures and publications from the Schumacher Center for a New Economics represents some of the foremost voices on a new economics. As the old paradigm of materialism that is causing social, ecological, and economic injustices crumbles, it is essential to consciously participate in the shaping of a new paradigm. Charles Turner describes the transition from a material to a spiritual consciousness, saying, We have gone through the materialization of consciousness to the extent that this age has focused on human beings as material objects . . . and now we are on the brink of an age that will bring the opportunity for our consciousness to be spiritualized.
