

## Examining End Times Teaching

Examining End Times Teaching is a treatment of eschatology from a strongly pastoral perspective. It presents what everyday Christians need to know about the coming Kingdom of God as described by the Bible, how it is extremely relevant to us even today, and how we are to prepare for it. Every day brings us closer to the time of our Lords return, yet Christians today are seldom taught the details of what they are to look forward to. Meanwhile, the Bible consistently tells us to look expectantly at the revealed specifics of the end times for the strength, encouragement, hope, peace, and joy that we need to get through this life. This collection of lightly edited sermon transcripts was prepared by members of Calvary Baptist Church in recognition of Pastor Joseph Babij's 30th anniversary as pastor of our church. This sermon series was originally preached by Pastor Babij from September 13, 2009 to January 24, 2010.
