

Diathesi 1

Trapped on the wheel of time... An exploration of the moment as a LIFETIME, either brimming with the fullness of awakened attention, or squandered on the mechanical desires of mundane existence. This comic book is artistic collaboration as esoteric practice. Our approach draws its inspiration from Thelemic and Discordian thought, and other schools of esoteric wisdom. We use photography and collaborative manipulation of colors to create each unique piece of art within the pages of Diathesi. In this way, the comic itself is a manifestation of our esoteric work. 24 full color pages of processed photography Standard size comic 1st in a series of 12. Text, Graphics and Layout by Radio Free Clear Light : JC Mendizabal, Etanna Sack, Lydia Harari
