

Your Time To Shine!

Its Time To Tell Your Story. Each year, tens of thousands of people just like you decide the time has come to finally tell their story to release the passion, energy, and experience that has been burning inside for so long. Like you, they desire to follow their dreams: to write their first book, to become recognized as a published author, to share their vision, to add to the conversation, to create entertainment or positive impact in the lives of others... and to potentially earn an exceptional income along the way. A fraction of these people will actually begin the process... fewer still will complete and publish their work. Why do they procrastinate? What fears are stopping them? How has the landscape changed, and what opportunities are available this very minute? How does all of this affect you? As you turn these pages, you will learn to:

- * Identify Willing Buyers And Amazing Topics For Your Book
- * Discover Your Passions, And Use Them To Design Your Life
- * Connect With Your Reader, And Build Your Personal Brand
- * Create Multiple Long-Term Revenue Streams Beyond Your Book
- * Experience The Joy And Freedom Of Working For Yourself
- * Achieve Expert Status, And Increased Influence And Credibility
- * Organize Your Time, Your Work, Your Legacy, And Yourself
- * Understand New Tools That Make Writing And Publishing Easy
- * Develop Confidence And Belief In Yourself And Your Vision
- * Eliminate Old Habits And Thoughts That Have Held You Down
