Put Your Career on the Fast Track. Get this book Now and Get Noticed By Top Employers Today for Top Paying Jobs as: Controller, Financial Manager, Treasurer, Finance Officer, Credit manager, Cash manager, Risk and Insurance managers, Assistant Controller, Senior Accountant, Staff Accountant, Financial Analyst. For the first time, a book exists that compiles all the information candidates need to apply for their first Controller Job, or to apply for a better job, loaded with hundreds of strategies for applying your strengths. The book comes filled with useful cheat sheets. It helps you get your career organized in a tidy, presentable fashion. It also will inspire you to produce some attention-grabbing cover letters that convey your skills persuasively and attractively in your application packets. After studying it, too, you'll be prepared for interviews, or you will be after you conducted the practice sessions where someone sits and asks you potential questions. It makes you think on your feet! This book makes a world of difference in helping you stay away from vague and long-winded answers and you will be finally able to connect with prospective employers, including the one that will actually hire you. Highly recommended to any harried Controller jobseeker, you'll plan on using it again in your efforts to move up in the world for an even better position down the road. What you'll find especially helpful are the worksheets. It is so much easier to write about a work experience using these outlines. It ensures that the narrative will follow a logical structure and reminds you not to leave out the most important points. With this book, you'll be able to revise your application into a much stronger document, be much better prepared and a step ahead for the next opportunity. This book offers excellent, insightful advice for everyone from entry-level to senior professionals.
