

Elizabethan Embroidery

A classic book on Elizabethan embroidery, including many examples of different works and a useful section of technical notes. This book will make a great addition to anyones bookshelf with an interest in the subject. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
