

Just the Job: Take Control of Your Career for the Job You Want

Approved by the Employment Service, this book helps readers, whether their concern is - career planning and management, finding work after redundancy, starting out on the executive ladder or returning after a career break. Other topics covered include finding jobs, psychometric tests, a personal sales brochure and discovering oneself. Readers can transform their prospects and self-confidence with this tried-and-tested toolkit - over 2500 executives have used the draft version and their comments have helped to make the book more user-friendly.
