

Needlework; The Classic and Complete Encyclopedia (Illustrated)

****SALE limited time special price offer****
****amazon kindle bestseller****

Complete updated edition for kindle with active table of contents, all illustrations and more! This is the complete and classic reference book, and is considered one of the most authoritative and valuable guides to the subject. This book provides instructions, knowledge, tricks and tips to all levels, and contains detailed instructions on stitches and techniques. Included in this book are detailed guides to simple mending, knitting, crochet work, embroidery, macrame, netting, irish lace, and more. As a true needlepoint enthusiast, the editor took great care in this edition so that all original illustrations are clear, and this edition can be used on the go for a great experience without the frustrations. Feedback is welcome and we hope you enjoy!
