

# Invincible Days

This book is specially designed in Amazon's fixed-layout KF8 format with region magnification. Double-tap on an area of text to zoom and read. This collection of short stories forms a singular narrative that reveals the tiny moments when you realize you are at the precious end-days of youth. Calling on memories from his own childhood as well as those gathered from friends and family, author and artist Patrick Atangan's work blends stories with strong psychological elements and insight with simple artwork evocative of youth. Bittersweet, joyful and reflective, these are the type of marking moments that best define us as adults.
