

How to Succeed at Living Single

Living as a single person can be exhilarating, interesting, rewarding and satisfying. You just need the right tools and motivation to succeed. In this book, the author provides a wealth of information, tools, tips and suggestions to help men and women of all generations to get the most out of living single even while are looking for that perfect companion. The author has drawn from her experiences as well as those of her daughters, her extended family, friends and co-workers to give you the tools to live a fulfilling, comfortable and enjoyable life as a single person. A must read for anyone who is living single.
