

## Little Way of the Infant Jesus

God could have come into the world as an adult, but He chose to be born as a baby to teach us about who He is and what He calls us to be. Caryll Houselander reveals the powerful spiritual implications of the manger: even as angels guarded and shepherds sought Him, the baby Jesus was already suffering for our sins. With a wealth of spiritual insight, Caryll Houselander invites us to see the Infant as He really is: our God of suffering and majesty, who even in the cradle shows us the straight path to holiness.
