

Affordable Bathroom Upgrades (Home Improvement)

A budget-friendly alternative to undertaking a full-scale bathroom remodeling is to break up the project into small segments. By doing a number of small improvements homeowners can upgrade their bathrooms as time and budget allow. Affordable Bathroom Upgrades provides design ideas and easy-to-accomplish how-to projects that illustrate how small changes lead to big improvements. Covering a number of projects from replacing an old faucet to installing a trendy vessel sink, Affordable Bathroom Upgrades gives homeowners the information and the instruction they need to achieve the bathroom of their dreams--even on a limited budget.
