

Best of Cottage Style Magazine 2013

Warm and welcoming, cottage style is at home from coast to ocast, in city or country, and everywhere in between. Beloved for its unassuming nature, this look emphasizes comfort rather than pedigree. Rooms wear every color of the rainbow and furnishings include an interesting mix of old and new. In fact, flexibility is part of the charm. In this inspiration-packed issue, revisit some of the all-time favorite cottages to showcase the styles rich diversity. Whether its in a beach retreat, a romantic bungalow, or a Midwest farmhouse, cottage decorating fits into every budget, location, and floor plan. Fortunately, that means you might be closer to this looks cozy charm than you might have thought. So take a closer look. Picture yourself in the rooms. And whenever a handmade rug, a color, a grouping of collectibles tugs at your heart, youll know its meant for you!
