Were all ghosts, Rona dear. All of us. The dead and the living. Introducing a unique new heroine to the world of illustrated fiction! Paranormal journalist and truthseeker Rona Eden has a close encounter with a mysterious hooded lady who appears to have killed several people in Detroit's Cass Corridor neighborhood. And when Rona is offered a window to another reality by this ethereal being, her nature demands that she grasp the opportunity to the fullest and journey as deep, and as far, as she can.
