For those who love to have their senses shocked and their libidos stretched to the absolute limit, why not take on these two scandalously sexy stories, where erotica and the unthinkable meet? These stories have been around for a while, but by getting the two authors to agree to putting their stories into a single volume, then these creative and exciting African sex stories can combine to give the avid reader of kinky, a well deserved one-two knockout punch. So sit back with that glass of strong imported wine, and prepare yourself by a roaring fire to slowly and carefully devour each salacious and shocking word. These stories wont be easy to forget. They are superbly written by the masters of erotic literature. So now, find yourself in deepest darkest Africa, and wallow in interracial fantasy or black on black sex. This book has them both! 1.
