

# Eeek! #2

This retro-style anthology of all-new horror tales is guaranteed to give you the eeries and the creepies! Taking a pinch of black humour from EC comics and mixing it with the art stylings of House of Mystery and Warren comics, EEEK! blends a heady broth that hits you like a burning incense stick to the retina. Jason Paulos delivers the goods with tales of revenge, zombies, vampires, ghouls and monsters. Each tale drawn in a different style reminiscent of the B&W horror mags of the 70s and 80s. In Colour Me Evil an ancient curse transforms clapped out tour guide Frank Fleagle ... forever! In East Prey a helpless girl, lost in the wilderness ... but is she all that she seems?
