

Consider Christianity: Evidence for the Bible

In its first edition, Consider Christianity by Elgin L. Hushbeck, Jr. presented a basic defense of the Christian faith suitable for use by the thoughtful layman or the clergyman in need of answers to key questions about the reasons for faith. In this new edition from Energon Publications, he has reorganized and expanded the material, and divided it into two volumes. This volume is the first and deals with the Bible, its inspiration and authority. Hushbeck presents the evidence clearly, leading the reader to a clear understanding of how the Bible was produced, and why it can be taken as a reliable foundation for Christian faith.
