

Your Grandma Rocks, Mine Rolls A Grand Avenue Coll

Take one power-waling grandma and mix her with two high-energy fraternal twins, and before long its hard to tell whos chasing whom. This magical mixture rolls off the pages of cartoonist Steve Breens first collection of Grand Avenue strips. Twins Michael, who wants to be a Shakespearean actor, and Gabby, a billionaire in the making, keep the postman, neighbors, and each other on the run - with Grandma Kate not far behind. Since its debut in 1999, Grand Avenue has captured the hearts and tickled the funny bones of readers in more than 125 newspapers nationwide.
