

Twilight-X Pocket Manga Volume 1

The world has changed... Eleven years of war have left the Earth in turmoil. The survivors are left to struggle against hostile forces bent upon claiming what's left of a ruined, lawless planet. Jed Saxon is one survivor consumed by this struggle. Good thing he's a former U.S. Special Forces operator with the training and ingenuity to adapt to this way of life. Just when the going gets easy, Jed stumbles into a nuclear detonator trade-off and is forced to combat an army of militiamen and a band of mercenaries, new foes that want him dead. With the help of an enigmatic, beautiful young woman and an Israeli Special Forces soldier, Jed must fight to find purpose in the midst of violence and apathy. After war, before peace...Twilight X.
