Living Metal presents: Versus After the incident on Mars, both Anna and Sara are now fugitives and running from the law. They have the abilities to fuse and manipulate metal. Their only course of action was to use the data that they acquired to help others like themselves before the Government could get to them first. In Verses, plans that lay before them do not all way go the way they wanted. For Anna, she will find out first hand. Standing in her way was another of her kind, Nakita. She on the other hand has only on thing on her mind. Nakita wanted revenge and doesnt care to be discreetly of her intention
