

WEBSITE BUSINESS GUIDE: HOW I CREATED MY FIRST WEBSITE AND EARNED \$3000: Make a website that works; content building, traffic generation secrets for beginners to earn extra income

**** Note:** This is a Newbies Guide to website building and website marketing for earning online**

HOW I CREATED MY FIRST WEBSITE AND EARNED \$3000 I am a finance manager by profession and had no idea about website building and online earning. I have learned everything from scratch and I will be sharing information about how I created my first website, promoted it and earned real cash. The book is based on my personal experience of website building and website traffic generation. The link to my website is provided in the book, so people can see the results. Want to create a website but think it will be too difficult? Think you need an army of skilled programmers to build a website and earn extra income? Think again. With nothing more than an ordinary PC, some raw ambition, and this book, you'll learn how to make a website and earn smart income online. Did you know that internet is responsible for making more millionaires than any other medium in history? Building a solid online website business that generates revenue for you can be extremely lucrative, if its done correctly. No Waffle or Wasted Words - Just the Information You Need to Build Your Dream Website or Blog Many people would like to start an online business but are overwhelmed with the amount of information that is scattered all over the Internet. The solution I provide is an online business plan that saves my readers a ton of time and helps to set up a home business. Are you ready to get started? Lets go With this book you'll learn: How I made \$3000 from my first website? What kind of website is best for making money? How I created my first website without coding? What kind of content I posted on my website? How I promoted my website? How can I increase my earning? Get this book now; you'll be glad you did!
