

Weak Messages Create Bad Situations: A Manifesto

A personal message from the author: Lots of individuals in society today are feeble-minded. They don't know what the HELL is going on. Unfortunately many of these people are responsible for running THE COUNTRY. They don't know the difference between a PRECIOUS JEWEL and piece of animal turd. Their ideas are MEANINGLESS, illustrated using RUBBISH imagery (often made by a computer). The stupid words they write are always in BAD FONTS. Yet still people HEED this nonsense. Maybe YOU are one of these people? It's alright. I am here to HELP you. I have a FULLY-COMPOSED WORLD VIEW. I have STRONG opinions about EVERYTHING. And my ideas are HAND-ILLUSTRATED and use REAL HANDWRITING that you can trust. I know exactly what's going on and am WILLING to share my thoughts with you. If you LISTEN to what I say then things will quickly improve. No more weak messages. No more bad situations. Shall we proceed?
